Guidelines

- No Calculators or any other aids allowed.
- Follow the conventions from lecture.
- Write your answers clearly and legibly in the space provided. If you need more space, use the extra pages at the end of the exam and indicate that you have done so.
- **You may use any result or algorithm from lectures or assignments without proof.**
- In case of a perceived ambiguity, clearly state your assumptions.
- Students may not leave the examination room during the first 60 or final 10 minutes.
