

# CS UNDERGRADUATE RESEARCH ASSISTANTSHIP (URA)

## WHAT IS A URA?

- An opportunity for exceptional students to work on **part-time research projects** with professors.

## ELIGIBILITY

- Academic Term  $\geq 3A$  and CAV  $\geq 80$
- Faculty of Math Students. Preference for CS major plans.
- A student can only do one URA per term.
- A student cannot be on a co-op term while doing URA.

## WHAT'S IN IT FOR YOU?

- Pocket money: **\$1100** for the term.
  - \$1500 if claiming a President's Research Award.
- Hands-on research experience.
- Looks great on a resume!
- Help decide whether to do graduate studies.

Application forms due before **Monday, September 30** for **Fall 2024** projects.
