1. Before you begin, make certain that you have one Exam Booklet containing 14 pages.
2. All solutions must be placed in this booklet.
3. Provide concise answers to the following questions.
4. Your grade **will** be influenced by how clearly you express your ideas, and how well you organize your solutions.
5. If you need more space to complete an answer, you are likely writing too much. However, if you need more space, use the blank pages at the end of the exam, and indicate that you have done so in the original question.
