

People who can Help

- **Classmates** - study groups
- **Course TAs** - office hours
- **SE/WEEF TAs** - office hours, often are around
- **Course professors** - office hours
- **SE program officers** - academic advising
- **Directors of First-Year Studies** - help sessions
- **Counselling Services** - study skills courses

Academic Dishonesty

Cheating on assignments and projects includes copying another student's solution and submitting it as your own, allowing another student to copy your solution, collaborating excessively with another student or decompiling sample solutions .

Individual assignments must be **worked through by yourself** and **written in your own words**. Working out solutions in detail with someone else and submitting the work as your own is a violation of the Student Academic Discipline Policy.
